2023 Waitsia Gas Project Stage 2 Annual Greenhouse Gas Emissions Report

In accordance with Condition 8-3 of Ministerial Statement 1164 (MS 1164), MEPAU are required to submit an annual report to the CEO quantifying Scope 1 Greenhouse Gas Emissions associated with the implementation of the Proposal, as defined in Table 1 of Schedule 1 of MS 1164. The report shall be submitted by 31 March and cover emissions released to the atmosphere from the previous financial year.

Please be advised that there were no proposal emissions associated with the implementation of the Proposal as it was in a construction phase during financial year 2021/2022. As such, please find attached the following 'nil' emissions report:
