West Australian Symphony Orchestra (WASO) heads to the Mid West

Written by Dongara DHS Year 6 Student Matthew Gillam

On Thursday 4th August 2022 a group of 14 students from Dongara District High School went to Queens Park Theatre to watch the Western Australian Symphony Orchestra rehearse ahead of their Thursday night performance.

The experience was very fun since it was my first time seeing an orchestra. My mum often plays Mozart and Beethoven at home. Hearing the full orchestra playing these classical pieces live made me appreciate my mum's taste in music. I liked Mozart the best because it was presto, poppy and vibrant.

We were greeted by Alan Tyrell and I enjoyed his story of the violinist who got arrested in Paris for simply playing his violin.

Overall it was the best music I have ever heard and made for a wonderful day out.

MEPAU and joint venture partner Beach Energy are pleased to sponsor WASO's Dongara Education Program, which will see a trio ensemble perform and engage with students at Dongara District High School later this year. The students were invited to attend WASO's concert rehearsal in Geraldton as part of this program.
